BLM WY General Conformity Issue Paper DRAFT 12-29-16 TJR SJ.docx

Tim,

Thanks again for putting this together so quickly. I've made some edits in the attached. Also, after looking at the language for the "no-action" option, I agree that maybe less paragraph form would be better for Deb. Can you work on shortening it with bullets?

Scott

Hi Scott,

Attached is my first pass at the subject draft briefing paper for the NPL project. It is essentially what we gave Martin back on 12/13/16 with options added at the end. Just as start – please edit as desired. Think when we are satisfied, it should go to Sara for review.

Thanks!

Tim
